B.Th. PASTORAL

COURSE FEES

R 67 000.00 (Accommodation included)

If your heart is to serve the local church the pastoral course is the place for you. In the B.Th. Pastoral course we will prepare you not only with theology but also with the practical experience. This course will introduce you to the basic principles and practices of organisation, administration, and leadership within the context of the local church.

The pastoral training offered at Pneumatix runs over 4 years. Students will register with SATS and their course fees shall be invoiced separately by SATS directly to the student. SATS has agreed to continue offering Pneumatix students discounted rates. These rates are available directly from SATS. Pneumatix have described an ideal rate of progress but students may progress slower or faster with the SATS subjects as they see fit, or as allowed by SATS.

Pneumatix fees are R67,000 for the year and include ALL the Pneumatix-specific offerings as outline on the website. These include in-house pastoral training in youth and kids ministry; vocational ministry training in various areas of ministry including street, kids and teen ministries; mentorship and leadership training; tour ministry; radio talk-show ministry; an overseas trip in the 2nd to 4th year of study (as described on the web page).
